## HOW IT ALL WORKS

▶ We will reserve a date for you upon your request, and provide you with an event confirmation. All details, such as final guest count, menu, and a map to your event are due no later than 14 business days prior to your event date.

▶ Our Pork, Turkey, Beef, and Smoked Ham are slow roasted. The meats are moist and tender, and literally fall off the bone! We further carve/shred the meat, and then serve it in it's own natural juices. You and your guests will love it!

▶ Whole pigs are similarly prepared, but cooked on a large stainless steel pan. Pigs may be carved/shredded at your location or ours, depending on weather conditions or as situation merits.

▶ All other foods are prepared at our location and transported to your site, ready for the buffet table.

▶ Please provide a parking space for our vehicle & roaster close to buffet line.

▶ Server(s) will carve meats, replenish the buffet line, clean buffet area, and package leftovers from the table in containers you can keep.

▶ Customer is responsible for transporting leftovers to a hot oven, refrigerator, freezer, or large cooler with ice. **If proper equipment is not available to handle leftovers safely, leftovers will be disposed of on site.**

▶ Encourage your guests to ask questions - That's half the fun of a Pig Roast!
